Vol 13, No 2

*There comes a time of first looking,  
Of first wandering,  
Of first stretching high.*

*There is a time for sadness,  
and quiet sorrow.  
This a time for standing apart  
and finding a place far away  
to be lonely all alone.*

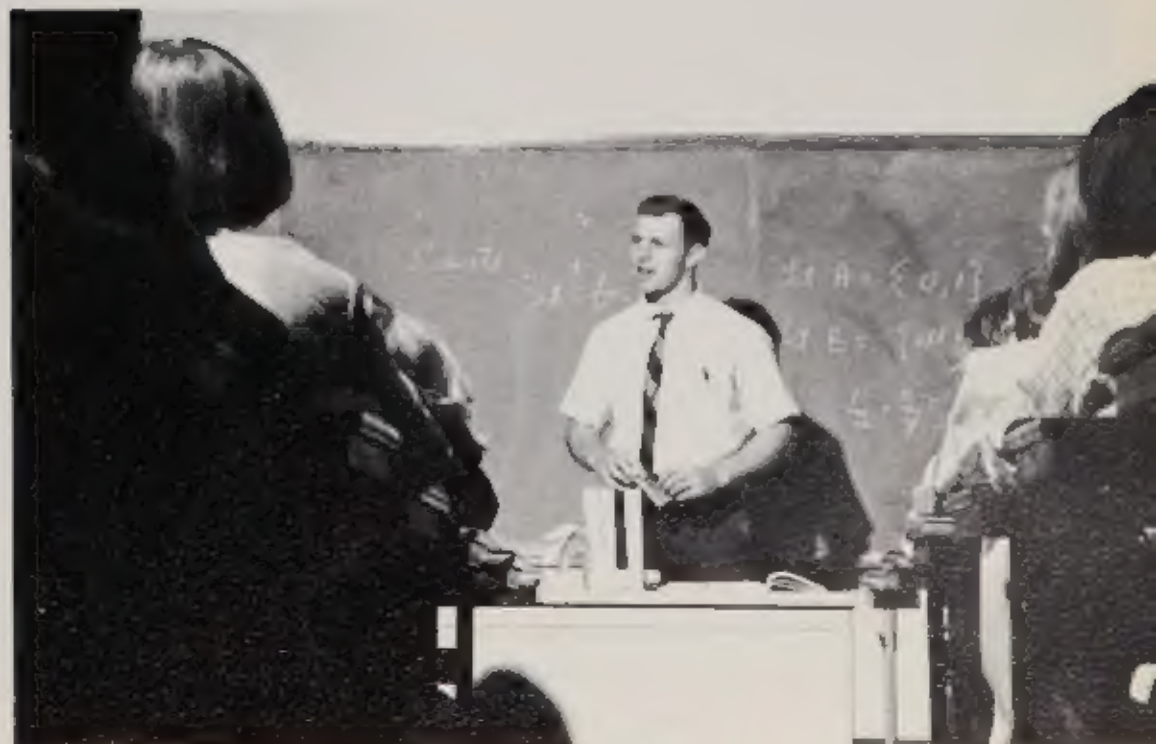

*This is a time for searching, sniffing,  
and discovering the wonder of Schurz.*

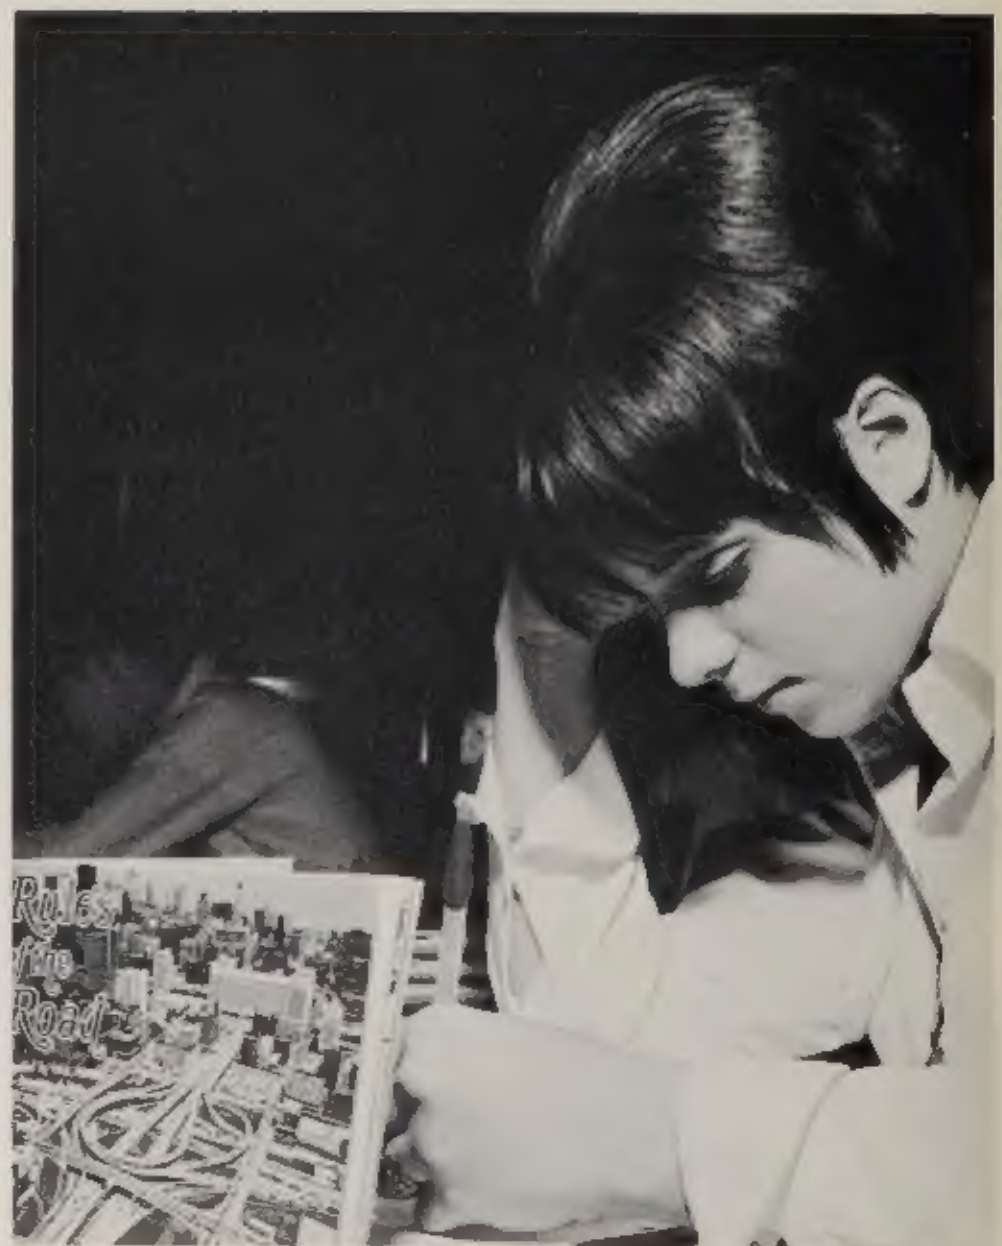

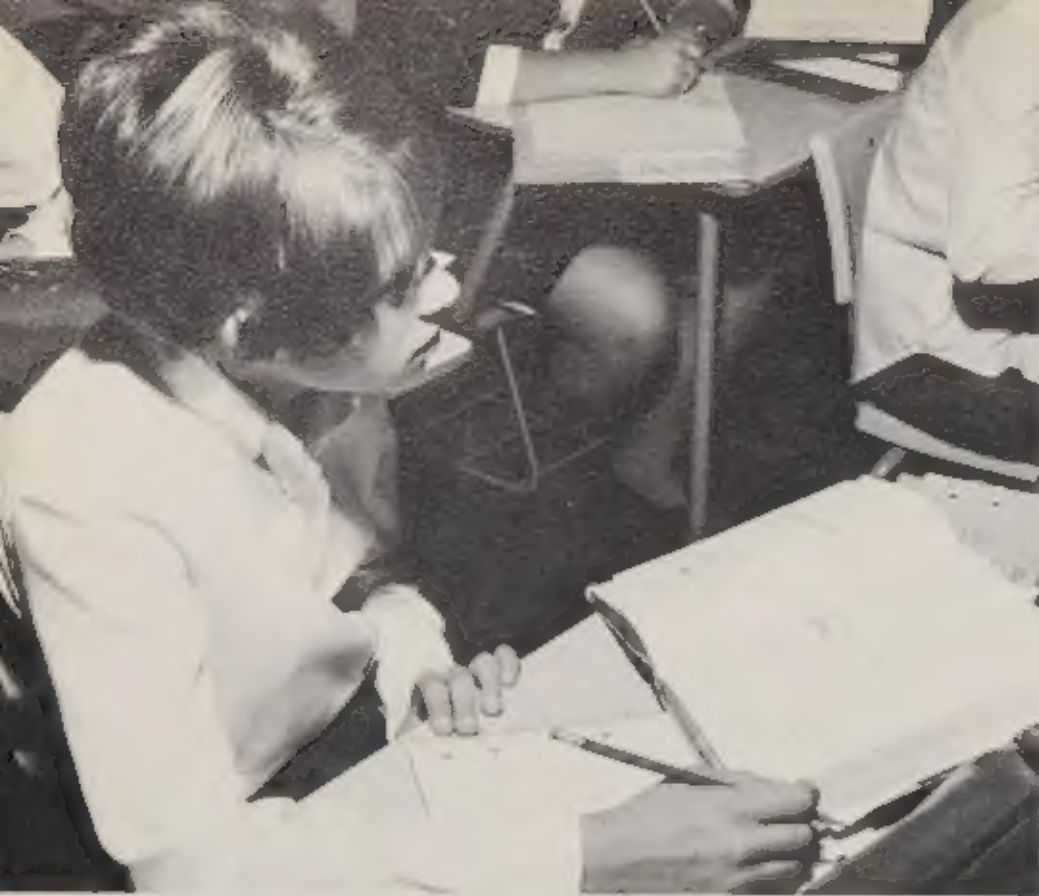

*To exist in the fleeting  
joy of becoming . . .*

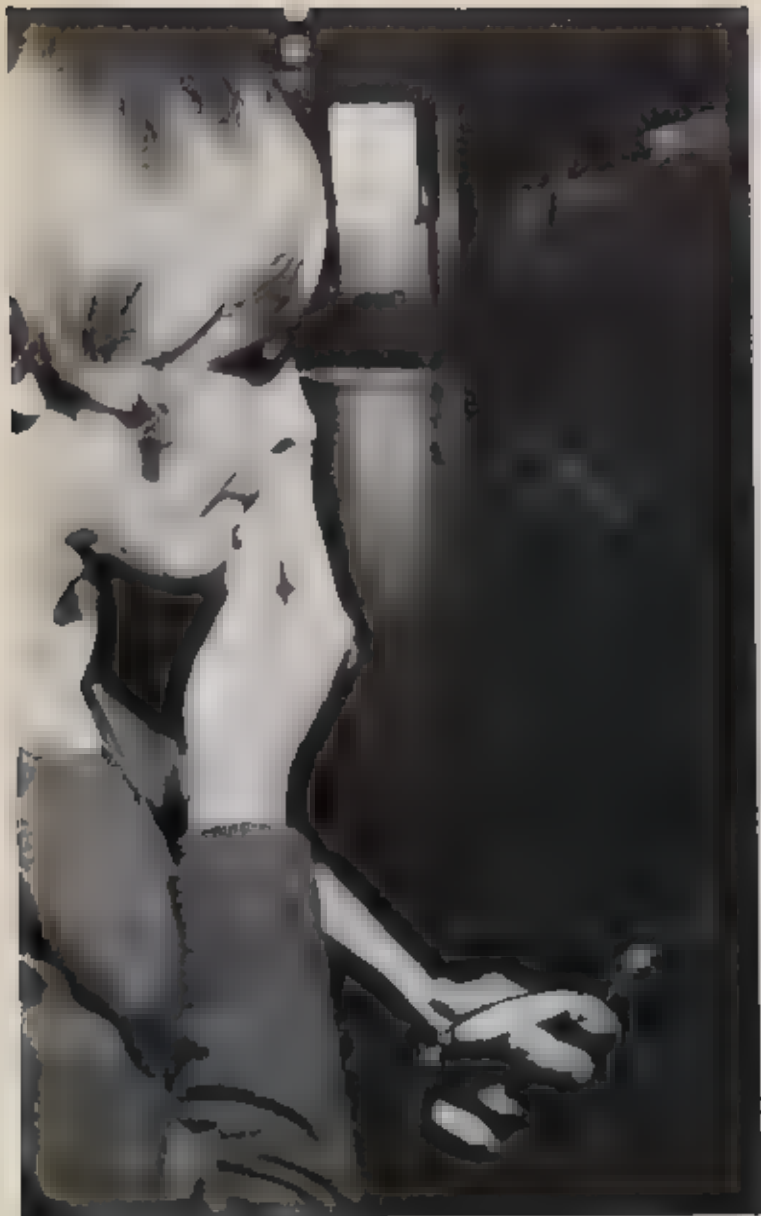

*Books are the pathways of men,  
They will guide us from now until then,  
Treated with care,  
They reduce despair.  
Those vicarious friends of men.*

Looking into and thru,  
Inquiring of the old and new,  
Powdering your shiny face  
Seeing thru the top of that vase  
Is there nothing the eye can erase?

*Freshmen and sophomores strive to make their mark,  
And learn that shcool can sometimes be a lark,  
When they tumble those rolls and make those baskets,  
We know our Frosh Soph team won't blow their gaskets!*

*Hands . . . the five fingered utensils man couldn't be without  
You could eat with your elbows if that hamburger wouldn't  
fall out,  
Or pin that dress with your toes  
And polish that press with your nose,  
If only those hands knew the right route*

*To make the world a friendly place  
One must show it a friendly face*

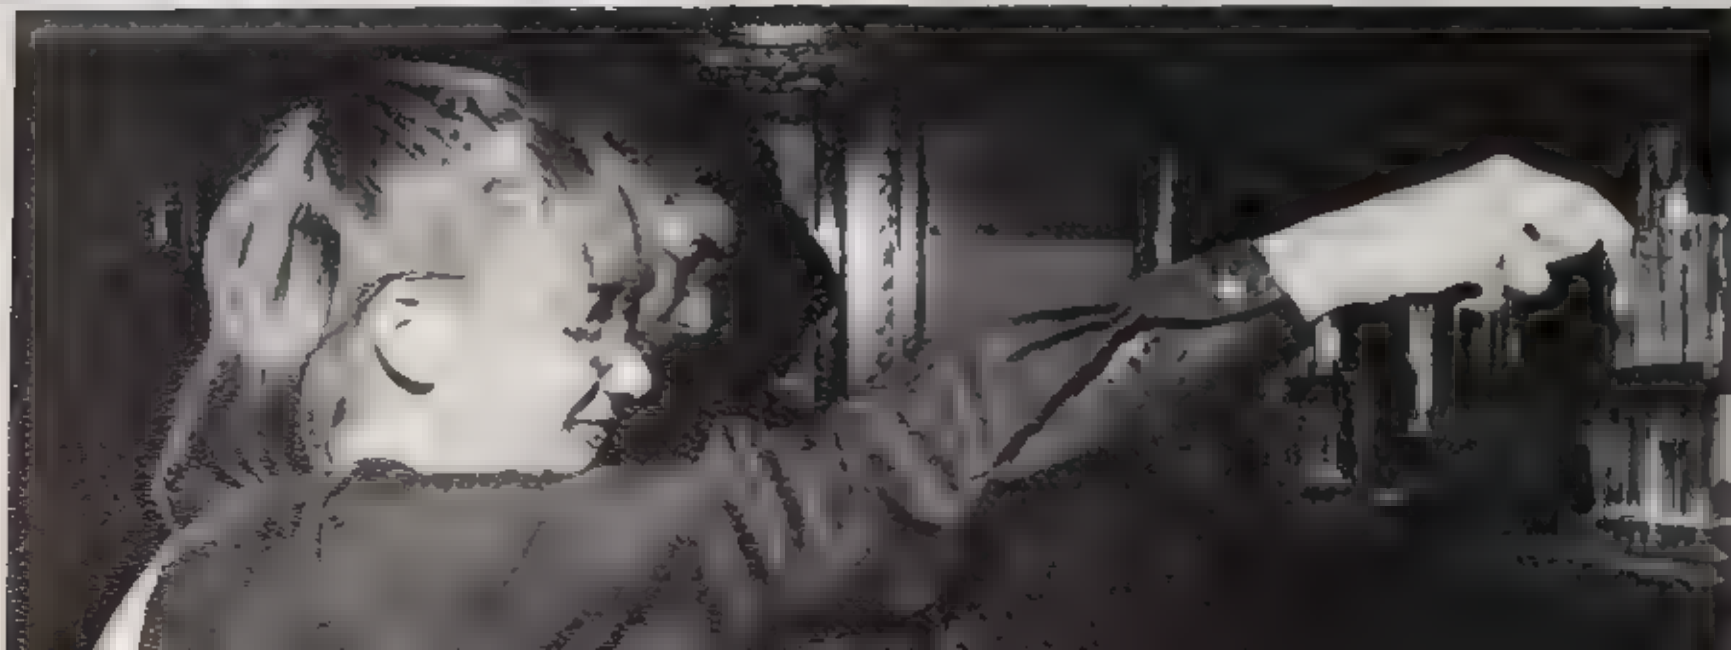

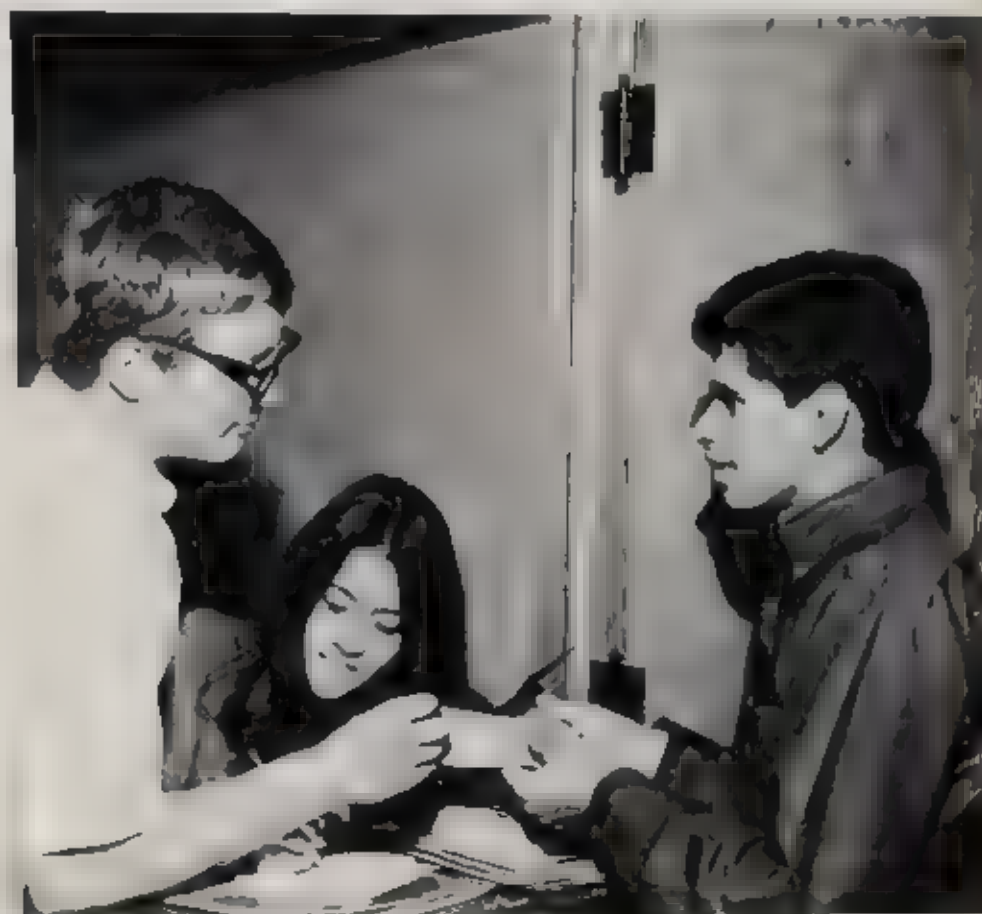

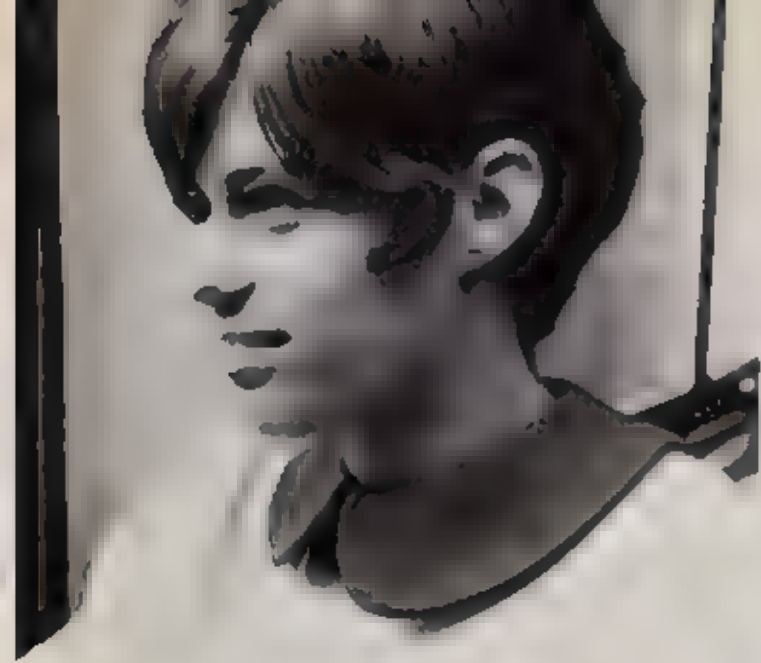

*A crowd is not a company,  
And faces are but a gallery of pictures,  
And talk but a tinkling cymbal,  
Where there is no love*

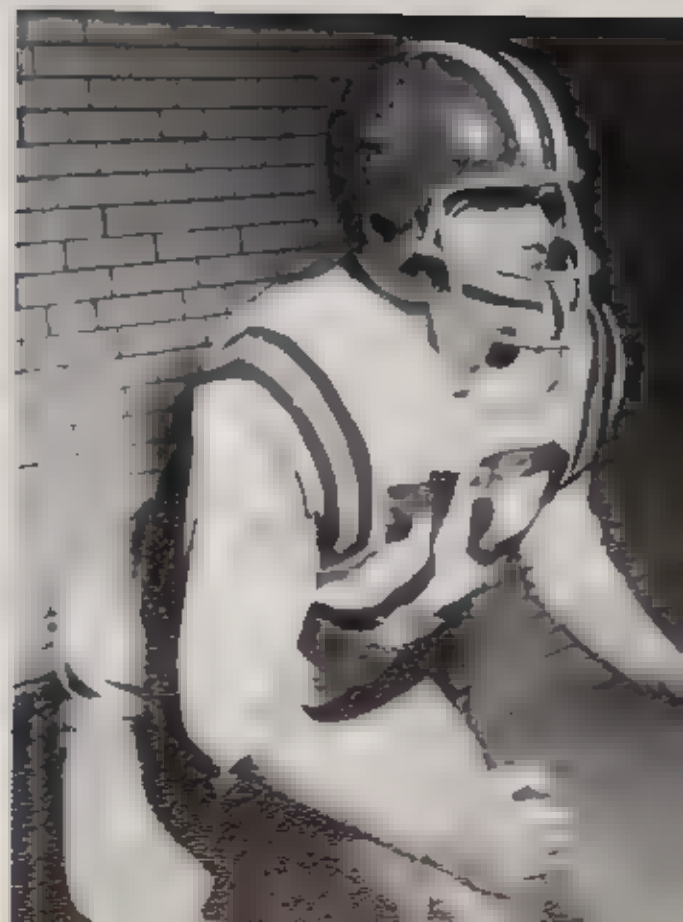

*When you are old and gray  
and full of sleep  
And nodding by the fire,  
take down this book  
And slowly read, and dream  
of the soft look  
Your eyes had once, and of  
their shadows deep*

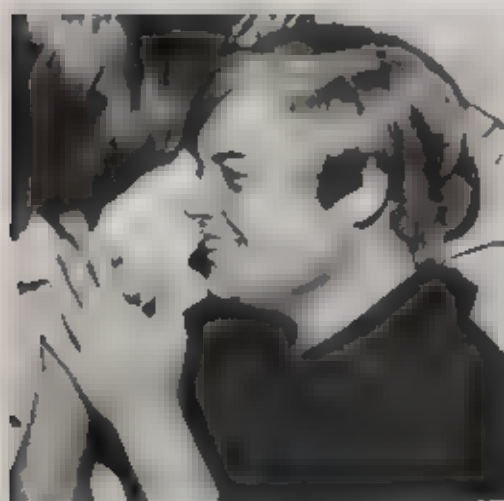

*The language of friendship is  
not words, but meanings. It is  
an intelligence above language.*

*I have always known  
That at last I would  
Take this road, but yesterday  
I did not know that it would be today.*

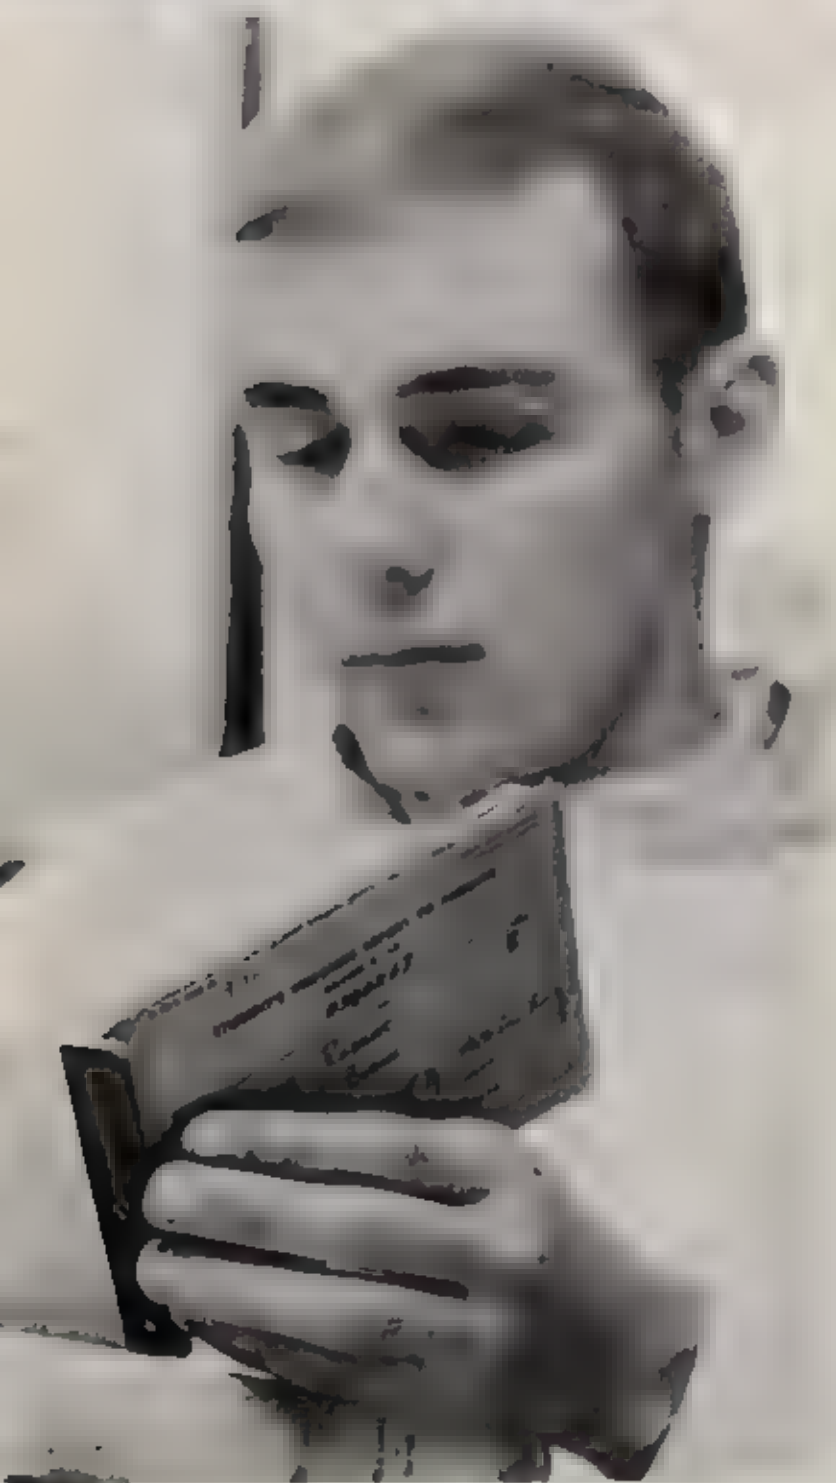

*Not enjoyment and not sorrow,  
Is our destined end or way,  
But to act, that each tomorrow  
Find us farther than today*

*I have had playmates, I have  
had companions  
In my days of childhood,  
in my joyful school days,  
All, all are gone, the old  
familiar faces.*

*Your fine promises  
Were like the dew of life  
To a parched plant.  
But now the autumn  
Of another year goes by.*

## SCHURZ VS FARRAGUT

Although the bulldogs fought long and hard, the Farragut Admirals defeated Schurz by a score of 13 to 7. With a little help from the coaches, and some good luck, Schurz will be the victors next year.

*Captain Pat Kucharski shows percision and enthusiasm as she performs*

*The climax of weeks of work — the Homecoming Half-time parade*

*Their faces mirror their anticipation - who will be queen?*

*High stepping into Homecoming '68*

*Homecoming '68... Whisper of the Orient darkened "ballroom"... lace and velvet... nervously excited girls... Chinese lanterns... The scent of flowers and perfume... holding hands... suits and ties... handsome escorts... Lucia Plinske, '68 Homecoming Queen... tears joy... "the Bitter Dreams"... slow dances wooden crutches for "Cherney"... innumerable memories... wayout restaurants... escaping time... curfew... that goodnight kiss... memories*

## HOMEcoming '68

## Varsity Football Team

*Coach O'Keefe, who has taught physical education at Schurz for 28 years, is retiring as coach of the football team. The teams under him have won approximately 150 games and lost only 80*

*He himself has played on the football squads of Marquette and Northwestern Universities. Although, he admitted that his best years of football were in high school.*

*When asked how next year's team would do, he replied, "The Bulldogs need rebuilding and this depends on whether or not the sophomores continue to play. Next year's sophomores have the best chance."*

*The team and the school will miss the leadership of this fine coach*

## SCIENCE FAIR

There is one very special event which occurs annually at Schurz High. Not everyone can participate in it, only those who really work hard and strive for perfection in the many different fields of Science. For those students who display an exceedingly high quality of work, they are rewarded with the privilege of participating in the District Science Fair. Not every student is a winner, but they all work hard to reach a goal, a goal of achievement, which is something that cannot be taught from a book, only by experience.

## Science Fair Winners

Students with science projects excelling in creative ability, scientific knowledge, organization, and thoroughness, exhibited their work at the District Five Science Fair at LaFollette Park in January. Awards given to the winners were Outstanding and Excellent. Students with an Excellent rating went on to the City Fair at the Museum of Science and Industry during March. The winners also attended a breakfast in their honor.

## Art Fair Winners

A combination of excellence in artistic talent and creativity helped forty-eight art students of Schurz to win various art honors at the 1969 Regional Art Awards exhibit held at the Wiebolt Department stores. Awards included the Key finalists Gold Key winners, and awards of Certificates of Merit. For the second consecutive year, a Schurz student has won the Hallmark award, which includes a \$100 cash prize. Entries of Finalists and those of Harriet Pilipowicz, winner of the Hallmark award, were sent to New York to be judged in National competition.

## Saturnalia

*Schurz Latin students, hosted by Mrs. Shirley Robeson, on the evening of April 15, 1969, gathered to celebrate their annual harvest feast - The Saturnalia. The students and guests, dressed in authentic togas, tunics and sandals reminiscent of ancient Rome, enjoyed an excellent dinner which was served by the slaves, who were first year Latin students. The evening consisted of prayers to the gods, a gladiator fight and the play, Menaechni, performed by the students. As the night drew to a close, the temporary Romans of Schurz High School said farewell to the beauty and mystery of Rome*

# Schurz Basketball Team

Under the fine leadership of Coach Postl, a wonderful job has been done training our champions. Credit should also go toward our team itself. With a lot of diligent work and practice, led by high scorers George Zimmerman, Bob Dekas, and Bosko, our team has developed into one of the finest school teams in Chicago.

We Schurz students should be very proud of the basketball team we have, and they should be proud of the fine way in which they represented our school this year.
